### **Application Deadline Extended for Windsor Heights Small Business Recovery Grant**

The City of Windsor Heights has extended the deadline to apply for the Windsor Heights Small Business Recovery Grant Program to July 13, 2020 at 4:30 pm. The City Council has authorized \$25,000 for Windsor Heights businesses who were deemed ineligible for the Des Moines Partnership Small Business Recovery Grant Program because they had been in operation for less than one year. A maximum of \$5,000 per business will be awarded to businesses in Windsor Heights. The businesses must have a physical presence in Windsor Heights. First priority will be given to businesses that have not received other business recovery grants. Businesses must have provable business expenses such as rent, utilities, payroll or other similar operational costs.

To apply, businesses must email the attached application (also available at [windsorheights.org](http://windsorheights.org)) to [marentsen@windsorheights.org](mailto:marentsen@windsorheights.org) by 4:30 PM on July 13, 2020. City staff and the Economic Development Committee will review the applications on July 14<sup>th</sup> and 15<sup>th</sup>. The Windsor Heights City Council projects to approve the applications at the July 20<sup>th</sup> Council meeting.
